13.1 For off the beach classes, rule 44.1 is changed so that the 2 Turns Penalty is replaced by the 1 Turn Penalty.

14 TIME LIMITS and TARGET TIMES

14.1 With the exception of a Marathon Race, the time limit for all Divisions and Classes is 2 hours.

14.2 Boats failing to finish within 60 minutes of the first boat's finishing time will be scored DNF without a hearing. This changes Rules 35, A4 and A5.

15 PROTESTS and REQUEST FOR REDRESS

15.1 Protest forms are available at the TCYC office. Protests and requests for redress or reopening a hearing shall be delivered to the Race Control Officer within the appropriate time limit in accordance with Rule 61 and Sailing Instruction 15.2 below.

15.2 For each class, the protest time limit is 60 minutes after the last boat in its class has finished the last race of the day.

15.3 Protest notices will be posted on the sailing notice board no later than 30 minutes after the protest time

limit to inform competitors of hearings in which they are parties or have been named as witnesses.

- 15.4 A mediation hearing will be conducted for all protests lodged in accordance with rule 61 which allege an infringement of a rule of Part 2 or 4. Such hearings will be held subsequent to the protest being lodged and prior to the protest hearing.
- 15.5 The time and place of the mediation hearing will be decided by the mediator and such advice will be given verbally. One representative of each boat shall attend the mediation hearing and no witnesses shall be allowed. The mediator shall decide the manner in which testimony is given.
- 15.6 After taking testimony the mediator shall reach one of the following conclusions:
- 15.7 The protest does not comply with Racing Rule 61 and the protestor may withdraw the protest.
- 15.8 The matter shall proceed to a protest hearing.
- 15.9 There was no infringement and the protestor may withdraw the protest.
- 15.10 A rule was broken by one or more of the boats involved. The infringing boat(s) may accept scoring points equal to a finishing place mid-way between the boat's actual finishing place and a disqualification. Half points shall be disregarded and the points of other boats shall not be adjusted. If so accepted, the protestor shall withdraw the protest.

15.11 A mediation hearing shall not be re-opened. No conclusion of a mediator shall be subject to appeal or grounds for redress.

15.12 If 1st, 2nd, 3rd or fastest places in a race might be affected by a protest, pennants will not be presented until after the protest has been decided.

16 SCORING

16.1 The scoring system is as per RRS Appendix A, Low Point Scoring System except that:

16.1.1 Boats recorded as “OCS”, “DNS”, “RAF”, and “DSQ” will be scored points 1 more than the number of boats starting in the race.

16.1.2 All other boats, including boats scoring DNC and boats which enter the series after the race, will be scored points 3 more than the number of boats starting in the race.

16.2 Average points (Inability to compete) - Application may be made for average points if the inability to compete in a race is due to competing in a recognised affiliated club or class event. Documentation detailing the event date, results and any other supporting information should be submitted to the Race Committee for their approval.

16.3 Consistency Point Scoring

- 16.3.1 All boats entering in a race shall be scored and eligible for Consistency points.
- 16.3.2 Consistency points are based on places determined by corrected times using handicaps prescribed by the TCYC Handicapper.
- 16.3.3 There is no minimum number of races required to be completed, to constitute the Consistency series.
- 16.3.4 Each boat's series score shall be the total of her race scores excluding her worst 3 scores, having regard to RRS 90.3(b).

16.4 Championship Point Scoring

- 16.4.1 Only TCYC registered boats shall be scored and eligible for Championship points.
- 16.4.2 Any change in helmsperson shall be considered as a new entry in the series. A handover of the helm other than for short periods to attend to personal needs or to attend to problems which could not have been expected to occur, shall be considered to be a change in helmsperson.

- 16.4.3 Race Control must be notified in writing prior to the start of the first race, of the change of skipper, boat and class. A Flag Officer who is unable to compete due to official club commitments may apply to the Race Committee for average points. The awarding of such points shall be entirely at the Race Committee's discretion.
- 16.4.4 All Championship points for mixed fleets shall be based on places determined by corrected times using handicaps prescribed by the Handicapper, after consultation with fleet representatives.
- 16.4.5 Championship points will only be scored for Championship heats as set out in the Calendar of Events or resails of these as scheduled by the Race Committee.
- 16.4.6 For each Division or Class, 7 heats shall be scheduled of which at least 6 shall be completed to constitute the series.

- 17.2.8 Strong winds – on days of strong winds the following procedures will be carried out to determine whether a race is to be postponed or abandoned.
- 17.2.9 Prior to leaving the jetty the Start Team shall check the wind speed using an appropriate anemometer. Should the reading average over 25 knots over a 1-minute interval, the race will be postponed or abandoned and the appropriate flags flown from the flagstaff on the lawn area.
- 17.2.10 Prior to raising the “On Station” flag the wind speed will be checked on the start boat whilst positioned at or near the start line. Should the recording average over 25 knots over a 1-minute interval the race will be postponed or abandoned and the appropriate flags flown from the start boat. Flags may also be flown from the flagstaff on the lawn area.

17.2.11 After all fleets have started the wind strength will be checked at 30-minute intervals. From a position within the race area, should the recording average over 25 knots over a 1-minute interval the race will be postponed or abandoned and the appropriate flag flown from a rescue boat positioned at the windward mark. This will continue until all boats cease racing and return to the beach, the jetty or to their mooring.

17.2.12 When the Bureau of Meteorology has issued a Strong Wind Warning or above current for the scheduled race time, the race may be postponed or abandoned.
